Greg Pyne

Greg Pyne is vice president of pricing solutions for Xactware. Greg oversees the departments responsible for the maintenance and publication of pricing information for more than 460 markets across North America for structural repair, structural cleaning, mitigation, contents cleaning, and preservation and maintenance. Greg has worked with the price list research and publication team since 1995, rising from pricing research specialist to team leader of the Pricing Research Department to his current managerial role. Greg has completed more than ten industry certifications from OSHA, RIA, and the IICRC, including the IICRC Master Fire and Smoke Restorer and IICRC Journeyman Textile Cleaner certifications.
